Eastward Trains are superior to Trains of the same class in the opposite direction.

In the operation of the Camas Prairie Railroad employees will be governed by the Operating Department Rules and Regulations of the Northern Pacific Railway. Employees must provide themselves with a copy of the Book of Rules and Regulations of the Operating Department of the Northern Pacific Railway Co. They will also provide themselves with copy of rules and current time table of the Third and Fourth Divisions of the Oregon-Washington Railroad & Navigation Co. and be governed by same in the use of terminals at Riparia.

All passenger trains will stop on flag at the Nez Perce County Poor Farm near Mile Post 130 to pick up and let off passengers.

Trains 5, 6, 7 and 8 will stop on flag to pick up or let off passengers about one mile east of Central Ferry where they crosses the river. No. 859 has right over No. 860 Lewiston to Riparia.

When sand is blowing engineers will run with great care and under control where they cannot see track is clear.

Mountain grade extends between Reubens and Sweetwater. Derails are located as follows: Cottonwood, Vollmer, Craig Junction, Reubens, Nucrag, Culdesac, Bundy, Sweetwater and Fort Lapwai. Except when in use, derails must be left open. Westward freight trains will stop 10 minutes at Nucrag and 15 minutes at Culdesac to cool wheels. All trains will move between Joseph and North Lapwai under telephone block — Westward trains will secure block over telephone from agent North Lapwai and Eastward trains will surrender block to agent North Lapwai by telephone from Joseph. If impossible to raise North Lapwai block between Joseph and North Lapwai may be secured from or surrendered to Dispatcher at Lewiston.

IMPORTANT——Special attention is called to rules 731 to 737, inclusive, regarding operation on mountain grade between Reubens and Sweetwater.
