If required by Accounting Department, a detailed estimate will be furnished. The expenditure is recommended for the following reasons: (if space is not sufficient)

At present time we have cotton stored in West valued at \$1,500,000 and the Pacific Grain Co. has also grain in storage. Have three men watching nights and in order to provide fire protection it is necessary to fire alarm box. Box will be installed by City of Seattle and we have submitted requisition J.J.M #884 for one to the city to replace the one they furnish.

This improvement has been investigated by A and Division Superintendent and recommendation is made. Emergency authority granted November 28nd, 1917
