The location is _____ on this company's property. To secure rights, it will be necessary

Location: **Near Sudbury & Waitsburg**
Title **Riprap at Bridges 56 and 88.**

Reason: The high water last Spring washed back the bank under Bridge 56, endangering the westerly bents and also washing out the rock around pier and bulkhead of Bridge 88. Temporary repairs were made and additional work was included in recommendations on Form 134 for next season, but on account of possible damage by flood waters during the coming Spring, the work should be taken care of during the Winter months to safeguard against damage during the Spring floods. It is, therefore, recommended that the work be authorized at once, in accordance with the attached sketch and estimate.

Emergency authority granted by General Manager December 13.

Work to be done by company force under charge of **Superintendent.**
Accounting to concentrate in the office of **Division Superintendent.**
