Joint facility contract reference: Not Joint

Class of Work: No. 10

The location is - - - on this company's property. To secure rights, it will be necessary

Location: Bridger, Montana  
Spur for Great Western Seed Company.

**Title and Reason:** The Great Western Seed Company have leased a portion of Lots 12, 13, 14 and 15 in Block A at Bridger under lease #40527 for constructing thereon a seed warehouse. They have constructed for approximately 1200 acres of seed peas and about 500 acres of beans which they expect to handle thru the warehouse this season. In order to serve the Seed Company's warehouse, it is necessary to construct trackage as shown in red on the attached print, the cost of trackage between points A and B to be borne by the Railway Company. Trackage from points B to C to be paid for by the Seed Company. The rail and angle bars between points B and C to be leased to the Seed Company under regular industrial spur track agreement. Deposit of \$300.00 to cover cost of construction of track forwarded to Treasurer today. It is recommended that work be done as per blue prints and estimates so that this season's crop of peas and beans can be handled. Regular spur track agreement attached.

Work to be done by company force ~~under~~ under charge of Superintendent

Accounting to concentrate in the office of Superintendent
