STATE OF MINNESOTA
VALUATION SECTION NO. 10
LITTLE FALLS TO BRAINERD
PRE-INVENTORY INFORMATION
GENERAL OUTLINE AND HISTORY OF THE WORK.

This is a single track line running from Little Falls to Brainerd all in central Minnesota.

Was constructed in the years 1877 and 1878 by the Western Railroad Company of Minnesota, a corporation under the general laws of Minnesota.

The contracts and final estimates covering this construction have not been located, hence copies are not available for the inventory.

Copies of all final estimate vouchers which have been found covering work done since original construction are submitted with the inventory.

The country traversed by this line is open, and the soil is composed of sand and gravel.

The ballast is composed of sand.

No subsidence was developed at time of making preinventory.
