STATE OF MINNESOTA
VALUATION SECTION NO. 12-B
CUYUNA NORTHERN RY. - SOUTH LINES.

PRE-INVENTORY INFORMATION.
GENERAL OUTLINE AND HISTORY OF THE WORK.

This is a single track line lying southwest of Deerwood in Crow Wing County North central Minnesota. It was constructed by the Cuyuna Northern Ry. Co., a corporation incorporated under the laws of Minnesota. Main line from Deerwood to Oreland, a distance of about four miles.

The general work of grading was done by A. Guthrie & Co. under their contract of October 17th, 1911. Tracklaying and surfacing was done by Company forces.

Copies of contract and final estimates and list of extra work bills incurred thereunder are filed with the inventory.

The soil is of a sand and gravel formation, very little rock being encountered in the conduct of the work.

The subsidence of roadbed will be developed at time of Government inventory.

Ballast is gravel and was obtained from pits as shown on chart attached to the inventory.
