Title and Reason: **Proposed relocation of Strike Camp Buildings as Car Repair and Caboose Supply Building, and Paint Shop, and House Waste Reclaimer.**

It is desired to provide adequate facilities for caring for caboose supplies at Duluth and to make available a building in which car repairers may store their tools, etc., and for this purpose it is proposed to avail of one of the bunk houses which was built during the Shopmen's strike in 1922.

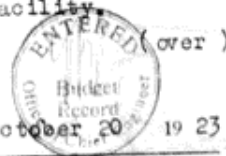

Another of these buildings we propose to relocate and avail of as a paint shop.

The third bunk house is to be relocated and used to house the waste reclaiming plant, replacing present inadequate facility.
