

CAMAS PRAIRIE RAILROAD CO.

Employees' Time Table

Effective June 22, 1913

12:01 A. M. "Pacific Time"

IMPORTANT—Special attention is called to rules 731 to 737, inclusive, regarding operation on mountain grades between Reubens and Sweetwater. It is impossible to raise North Laramie block to second from or understood to Department at Lewiston. Train 244 will take siding in North Laramie for Train 231. All trains will move between Joseph and North Laramie under telephone block—Westward trains will secure block over telephone from agent North Laramie and Eastward trains will secure block to agent North Laramie by Mountain grade extends between Reubens and Sweetwater. Districts are located as follows: Clear Junction, Reubens, Colfax, Caldwell and Sweetwater. Except when in use, details must be left open. When used it blowing engines will run with great care and no engine will be run on flag or set of lantern signals. Trains 2, 6, 7 and 8 will stop on flag to pick up or let off passengers. In the operation of the Camas Prairie Railroad employees will be governed by the Operating Department Rules and Regulations of the Northern Pacific Railway. Employees must provide themselves with a copy of the Book of Rules and Regulations of the Operating Department of the Northern Pacific Railway. This will also provide them with a copy of the Oregon-Washington Railroad & Navigation Co. and be governed by same in the use of the same. For the Government and Information of Employees only, and not intended for the use of the public. The Company reserves the right to vary from this Time Table at pleasure.
