THE TRAIL OF LEWIS AND CLARK 1804-1806

It is a new story of the renowned Lewis and Clark exploration of 1804-6, published by G. P. Putnam's Sons, New York. The author, Mr. OLIN D. WHEELER, of the Northern Pacific Wanderland series, writes from the standpoint of one who has not only made a study of the historical records of the expedition, but also of the original explorers' journals, in many cases with wagon or pack train. The work is a 3-volume, 8vo edition, profusely and finely illustrated in color and half-tone from original photographs, is provided with maps and includes a large and distinct. Not a rebhash of old reports, but an unusual and unique presentation of the greatest exploration known, with much new and original matter. The work is timely in connection with the Lewis and Clark Exposition at Portland in 1906. ASK ANY BOOKSELLER.

TIME SCHEDULE OF Passenger Trains

DOUBLE DAILY SERVICE BETWEEN ST. PAUL, MINNEAPOLIS, ASHLAND, SUPERIOR, DULUTH AND Fargo, Butte, Helena, Spokane, Seattle, Tacoma, and Portland.

Corrected to September 2, 1905

ISSUED BY THE General Passenger and Ticket Department, ST. PAUL, MINN.

J. G. WOODWORTH, Traffic Manager. A. M. CLELAND, General Passenger Agent.

ALASKA EXCURSION 1906.

During the season of 1906 the Pacific Coast S. S. Company's Excursion Steamer "Spokane" will make five excursion trips to Alaska, leaving Tacoma at 4:00 A. M., Seattle at 9:00 A. M. and Victoria at 8:00 P. M. on the following dates: June 7 and 21, July 5 and 19, August 2.

The "Spokane" will be run for the excursion travel. No local, second-class, or steerage passengers will be carried. The route will be arranged to give the passengers an opportunity of seeing all interesting and accessible glaciers (including Glacier Bay).

The service will be of the same high standard that has made these excursions to the "Land of the Midnight Sun" so popular heretofore.

Northbound, stop will be made at Victoria, B. C. On return trip, steamer will call at Vancouver, B. C., thus affording an opportunity of visiting both of these interesting cities without additional charge.

Any of the general and district passenger agents of the Northern Pacific Railway will be glad to make reservations, or application for space may be made to A. M. CLELAND, General Passenger Agent, Northern Pacific Railway, St. Paul.

The Council City & Solomon River Railroad Company
Formerly known as the Western Alaska Construction Company

is completed for a distance of about 13 miles, including the 927-foot bridge across the Solomon River at Right Branch (East Fork), and will offer prompt transportation facilities from June 1 to November 1, 1905, for freight and passengers from Dickson (Solomon) to Rock Creek, Quartz Creek, Big Hurrall, Trilby Mountain, Right Branch (East Fork), and end of the line as same is pushed forward.

A stage route between the end of the line and Council City was established last season, and will be run with daily service this season. The average time between Dickson (Solomon) and Council City last season was about eight (8) hours; fare for through trip, \$15.00.

This is a greater convenience to the traveling public than the old route via Goltz Bay, which required two days and upwards, at a cost of \$20.00 to \$30.00. There is daily service between Nome and Dickson (Solomon) by boat; fare, \$5.00; time four (4) to five (5) hours.

The Council City & Solomon River Railroad Company has a first-class hotel at Dickson; private rooms, bath, etc., at reasonable rates. Material is stored at Dickson for the completion of our road to Council City, and bids have been received from reliable contractors for the rapid completion of the road.

The Alaska Telephone & Telegraph Company is building 300 miles of extension between San Francisco, Los Angeles, San Diego, San Jose, Santa Cruz, Monterey, San Luis Obispo, San Simeon, Cayucas, Ventura, Hueneme, California, every second day between San Francisco and Eureka, California, every third day. Between San Francisco and Eureka, San Jose del Cabo, Mazatlan, San Francisco, and San Francisco, Alaska, Guaymas, Mexico, on the 7th of each month.

TRANS-CONTINENTAL TICKETS WILL BE HONORED VIA SEATTLE FREE OF CHARGE.
