

Fargo Division Local Train Brief

Train: Chain Gang Nos. **947-948-949-950** (12th and 13th Subdivisions)

Frequency:

947-948 Mandan – Nott On Tuesday and Friday handles local business between Mandan and Nott.
949-950 Beulah Turn Mandan to Beulah and return on day to day basis as necessary.

Traffic Handled:

947-948 On Tuesday and Friday handles local business between Mandan and Holt.
949-950 On Monday, Wednesday and Thursday, handles local business between Mandan and Beulah, including any cars of coal and coal empties from Beulah and Glenharold.

Schedule:

Depart Mandan 8:00 AM and returns from Nott to Mandan about 6:00 PM, on Tuesday and Friday. Leaves Mandan 7:00 AM, returns to Mandan about 8:00 PM when operating as Beulah Turn.

Terminal Handling:

All cars destined for local points out of Mandan are blocked in station order.

Restrictions:

See Special Instructions.

Grouping:

Loads made up from head end in station order. Empties are in one block.

Terminating connections: Cars of coal arriving Mandan on Beulah Turn connect with Train 700 out of Mandan, daily except Sunday.

Inasmuch as this is a chain gang assignment, the schedules shown are estimated as crews will be called as needed.
