AUTHORITY FOR EXPENDITURE

7

Form 128-A (Rev. 10-30-04)

Requisition dated **November 23rd, 1904**  
From **Newark** Division **Operating** Comptroller's No. **8**  
For **New Salem - New 3300 foot passing track.** Department.

Amount, \$ **3,900.00**

REMARKS AND RECOMMENDATIONS

To enable meeting and passing of both freight and passenger trains at the same time; avoiding the necessity of sawing or delaying freights by holding back at another station, and required for the prompt and economical handling of the present volume of traffic.  
Work to be done by division forces under supervision of Division Superintendent.

*[Signature]*  
Chief Engineer

Second Vice President.

This is one of the sidings in the permanent scheme. Has been investigated on the ground by Division Superintendent, Division Engineer, Chief Engineer, General Superintendent and General Manager.
