

AUTHORITY FOR EXPENDITURE.

Form 1345
Revised 1905
13

Requisition dated Dec. 19, 1905 Comptroller's No. 13

From Pacific Division Operating Department
For South Aberdeen, Wash.

Construct spur track 1275 feet long.

Amount, \$ 712.00

REMARKS AND RECOMMENDATIONS.

The Railway Company to furnish metal only, the balance of the expense to be borne by A. J. West Lumber Company, who will do grading and furnish easement. Track to be laid by Division Forces.

Chief Eng. ~~XXXXXXXXXXXX~~

Officials of the Western Division have considered this important enough so that instructions have been given Superintendent Albee to go ahead with the construction without waiting for formal authority. I recommend that the action be approved.

January 26, 1906.
