Form 120 (Revised 12-20-04)

St. Paul, Minn., Nov. 27, 1907. Comptroller's No.

Dakota Division Operating Department Applicant's No.

Authority is requested for an expenditure as per detailed estimate attached of \$7,200.00

For (new work additions maintenance) at Dakota Division 963.00

consisting of Four and Eighty-four hundredths miles individual stock fence.

INSTRUCTIONS

The location is shown by plan attached, and is on this company's property. To secure required rights, it will be necessary

Charges are to be made against Northern Pacific Railway Company for entire cost -

as per estimate -

The expenditure is recommended for the following reasons:

To cover construction of individual right of way fence to be constructed from time to time this season as requested by adjoining property owners. North Dakota Laws require the Railway Company to fence right of way within sixty days after application by adjoining property owners, provided they have fenced three sides of their property. The above amount covers only such fence as has been completed this year or will be completed this year.

will be required for construction, which should be commenced

in order to complete by

and be done by Division Force under charge of Supervisor.
