 OFFICE ADDR. U.S. RR.

A settler named A B Winter has fenced the other three sides of his property between bridges 4 and 7 on the Everett Branch and desires to turn stock out ~~to~~ to pasture. Under these conditions, in accordance with the state law in this regard, it is proper for the Railway Company to fence the fourth side of the property along the Railway Company's right of way.

The improvement has been investigated by the Division Superintendent and Division Engineer and recommendation is made accordingly.
