Title **Purchase rivet cutting machine for Car Repair Tracks.**

Reason: **Repairs to steel cars has increased to such an extent that it is necessary to provide a machine for cutting rivets in order to reduce the hand labor to a minimum. The machine designated on the attached estimate is of such construction that it can be used in places that cannot readily be reached with cold chisel and sledge. The machine is operated by compressed air.**

**It is estimated that an annual saving of \$150.00 in labor will result. The use of this machine will also result in more rapidly progressing work.**

Work to be done by **None. Purchase** under charge of **Master Mechanic**

Accounting to concentrate in the office of **Division Storekeeper**
