Location: CUSTER MONT.

Title Estimated cost proposed lean-to for additional living quarters for and pumper, as per sketch dated Dec. 22nd, 1922.

Reason:

The pump house at Custer is located about one mile from town. A box car body has been provided for the pumper to live in but this does not give sufficient room for an average family.

The pumper has agreed that if we will provide the material he will do the work himself to build an addition and it is recommended that this be done.
