Title **Estimated cost proposed two motor cars for use of extra gangs.**

Reason: **At the present time we have only one motor car to serve extra gangs on the Rocky Mountain Division. During the past season it was found that this motor car was a money saving proposition in the way of getting men to and from work. In addition to this they can be used to very good advantage in cleaning ditches in tunnels etc., and do away with the use of a work train for this work.**

For the above reasons it is desired that this division be furnished with two 6 H.P. Fairmont Motor cars Class M-220-G, for the use of extra gangs on the division.
