Title Improvement of Lighting Facilities.

Reason: In order to promote safety and also as a measure of economy in insuring more and better class of work, it has been thought advisable to install additional electric lights at designated points in and around the shop buildings and roundhouse, which have been very poorly lighted in the past and brought about considerable adverse criticism from various employes. The real necessity for the additional lighting facilities was brought about most forcibly during the recent Shop Crafts strike.

The work of installing the lights has been started under the direction of the Mechanical Engineer who reports that the wiring has all
