

# CAMAS PRAIRIE RAILROAD CO.

## Employes' Time Table

Effective Oct. 1st, 1911

12:01 A. M. "Pacific Time"

**IMPORTANT**—Special attention is called to rules 500 & 518, inclusive, regarding operation on mountain grades between Reubens and Sweetwater. It is impossible to take North Lapsay block as secured from or surrendered to Dispatcher at Lewiston. All trains will move between Joseph and North Lapsay under telephone block—West bound trains will secure block over telephone from agent North Lapsay and East bound trains will surrender block to agent North Lapsay by Mountain grade extends between Reubens and Sweetwater. Details as follows: Cuts, Cuddeback, and Sweetwater. When sand is blowing engineers will run with great care and under the supervision of the Engineer in Charge. Trains 5 and 6 will stop on flag or pick up or let down at any place between Lewiston and Sweetwater. Rules and Regulations of the Operating Department of the Northern Pacific Railway Co. They will also provide themselves with copy of rules and current time table of the Washington Division of the Oregon-Washington Railroad & Navigation Co. and be governed by same in the use of the same. They will also provide themselves with copy of rules and current time table of the Oregon-Washington Railroad & Navigation Co. and be governed by the Operating Department of the Northern Pacific Railway Co. Employees must provide themselves with a copy of the Book of Rules and Regulations of the Operating Department of the Northern Pacific Railway. East-bound Trains are superior to trains of the same class in the opposite direction.

**For the Government and Information of Employes only, and not intended for the use of the public.**

**The Company reserves the right to vary from this Time Table at pleasure**

FIRST DISTRICT		TONNAGE RATING OF FREIGHT ENGINES
