Budget reference: In Budget No. 217

Class of Work: No. 10

Joint facility, contract reference:

The location is ______ on the company's property.

Location: Spokane, Wash. - Passenger Station

Title and Reason: Installation of Iouo Loud Speaking Telephone

It is proposed to install the equipment in the train dispatcher's office for use in connection with handling the main line between Spokane and Ellensburg, Washington.

This equipment is required for the purpose of relaying the train dispatchers of the burden and bad effect of wearing a head band telephone receiver continuously while on duty, thus to facilitate the handling of trains by telephone.
