Proposed "Step" crossing signs.

Minnesota Grade Crossing Law, Chapter 336, Session Laws of 1926, approved April 26th, 1926, provides that certain highway crossings of railroads at grade shall be "Step" crossings.

Accordingly the Railroad and Warehouse Commission, in an order dated September 22, 1926, ordered the placing of "Step" crossing signs at various grade crossings on the Northern Pacific and to comply with this order it is proposed to place signs under this AFE at the following crossings:

1. 7th Street, Main Line Side.

It is recommended the work be done.
