Assessment for sidewalk, curb and gutter on Lake Avenue.

This H.P. is made to cover an assessment levied against our right of way as its share of the cost of repairing, constructing and widening sidewalks and the laying of curb and gutter on Lake Avenue, as shown on the attached blue print. The total cost of this improvement was $3890.00. Of this sum the village assumed $1052.00; the balance, $2838.00, was assessed against the abutting property on an equal frontage basis. Our assessment has been checked at Forest Lake and is correct. Question of billing on leases submitted to Mr. Watson.

Blue print attached.

Work commenced June 1, 1925.
