The location is _____ on this company's property. To secure rights, it will be necessary

Location: **Between Cheney and Sprague, Washington**

Title: **Bank Widening - MP 17+00 to 41+00.**

and

Reason: **It is necessary to provide bank widening in the territory between Babb and Sprague, in order to prepare for reballasting proposed in the 1928 program. The section from Cheney to Babb has not been included in the program for reballasting, however the bank widening is light in this territory and should be included at this time to avoid additional expense necessary when ballast is furnished within the next few years. It is recommended that the expenditure be authorized in accordance with the attached estimate.**
