Title: Woven Wire Fencing for Peter Eglad.

and

Reason:

Mr. Peter Eglad, who owns property on the north side of our right of way between Milepost 74 plus 4030 and Milepost 75 plus 3690, has requested that the Railway Company furnish woven wire fencing for fencing its right of way between these points. Mr. Eglad has his property fenced on three sides with woven wire fencing and agrees to apply the woven wire fencing and set the four foot intermediate fence posts at his expense, if the Railway Company furnished the material. The Railway Company has a legal fence at this point.

It is therefore recommended that work be done as per attached blue print and estimate.

Work to be done by company force under charge of Superintendent.

Accounting to concentrate in the office of Superintendent.
