Class of Work: No. 14

Joint facility contract reference: Not Joint

The location is on this company's property. To secure rights, it will be necessary

Location: System

Title Power Tamping Machines

and

Reason: During the coming season we will continue our program of washed ballast, placing approximately 550,000 cubic yards. In order to do the final surfacing of washed gravel track, we have found the use of power tampers economical. It is recommended that six additional machines be purchased this year to take care of the increased mileage.

Work to be done by purchase company force under charge of contract Engineering Department

Accounting to concentrate in the office of Engineering Department Div. Acct.

Signature and Title:
