Estimated cost proposed washed ballast between MPs 105-4440
and

Reason: This track was ballasted in 1911. The ballast is badly worn out and filled with soil causing churning ties and difficult to maintain good riding track. It is recommended that washed ballast be placed in accordance with our present program. The bankwidening in this territory has not been done but has been authorized under AFE 1149-28. 100# rail was laid in 1926 and should be protected.
