Reason: Mr. Ross. A. Leisure has enclosed the three sides of his property adjoining our right of way with hog tight fence and has requested us to place hog tight fence along the right of way line which we are required to do by the North Dakota Law No. 4646.

As Mr. Leisure desires to use the piece of land adjoining the right of way for pasturing sheep and hogs, as well as horses and cattle early authority should be given so that we can assemble the material and complete as soon as possible; as stated Mr. Leisure already has his three sides complete.
