Title: Additional Ties.

Reason: *Cancelled Authority President 4/10/29*

During season 1929 territory between Placer and Helena will be ballasted and additional ties should be placed in order that rail panels will be brought up to standard of 20 ties to each 33 foot rail and 24 ties to each 39 foot rail. This is desirable in order that it will not be necessary to disturb ballast during next two years renewing ties or bringing panels up to standard.

It is therefore recommended that work be done as per attached estimate.
