The location is on this company's property. To secure rights, it will be necessary

Location: Auburn, Washington  
Title: Abandon old gravity water supply system

Reason: Under AFE 326-11; 3093-17; 2076-18 and 1140-21 a pipe line was constructed from Auburn Terminals East to Little Scos Creek to provide a gravity water supply. When the Auburn wells were placed in service this gravity supply line was later closed down and about a year ago the water was shut off at the intake of the pipe line, the present operators of the concrete plant securing their water from the Auburn City Water System. The pipe line is now in such condition that it can no longer be used and it is proposed to abandon it. This RFA is prepared for accounting purposes.

Work to be done by company force under charge of Divn. Superintendent at Seattle, Wn.  
Accounting to concentrate in the office of Divn. Accountant at Seattle, Wn.
