Brakeman H. Lang,

~~Pasco, Wash.~~

Spokane
Dear Sir:

On Sept. 15th you were working as Brakeman under Conductor Thomas Vining on Spokane Chamber of Commerce Special from Kennewick to Spokane. The Traffic Department and the Spokane Chamber of Commerce speak very highly of the courtesy shown by the train crew in handling this train. Report has also reached me that had it not been for your efforts in getting the dynamo plant to work the train would have gone into Spokane in total darkness.

I assure you that such work on the part of employees is greatly appreciated and trust that your efforts in the future will be along the same lines.

Yours truly,

J. S. Rose
Superintendent.
