FORM G. B. O. 1221

Agents will attach this form to each piece of baggage checked or unchecked, on hand over free time allowed by tariff.

First enter the date on all three portions and the initial and number of baggage check on the Receipt and Stub portion.

The date and hour entered must show the date on which storage commenced.

Detach the stub and send to General Baggage Office or District Baggage Office with Daily Report.

Fold the Receipt over the check portion at the perforated line and without separating them, attach to the baggage by running the baggage check strap through both slots.

When baggage is claimed compute the number of days storage from date shown on receipt and check and punch out the ★ between the number of days and amount collected.

Also punch out the ★ opposite "A.M." or "P.M." showing whether delivered in forenoon or afternoon, and hour, and enter date delivered.

Give receipt to party paying storage and send this check portion to Auditor of Passenger Receipts with Monthly Report of storage earnings.
