CONDUCTOR

CONDUCTOR'S DAILY TELEGRAPH CAR REPORT

Conductors of each train will report on this form all cars in train at exactly [2:00 p. m., Paradise and West] [3:00 p. m. Mandan to Paradise] and [4:00 p. m. East of Mandan.] Cars must be properly classified as called for in form.

if setting out or picking up cars at intermediate stations at time this report should be made, Conductor will have understanding with Agent as to whether cars which are being set out or picked up will be reported by Conductor or by Agent.

If arriving at train terminal at any time before the exact time this report is required, Agent at such terminal will account for all cars in train. If after the exact time, Conductor will account on this form. Leave at first telegraph office after time given above. Operator receiving this report must wire it to the Division Superintendent immediately.

NOTE.—Cars numbered 1 to 1,999 and 200,000 to 206,000 are not to be incly 13d in this report.
