AGENT'S TELEGRAPH STOCK REPORT
TO GEN'L SUPT. OF TRANSPORTATION, ST. PAUL

NORTHERN PACIFIC RAILWAY CO.

F-13

1. Agents will make this report for all stock originating at their stations, and wire to General Superintendent of Transportation immediately upon departure of stock.
2. Give each shipment a number.
3. A shipment will be the total number of cars for each destination.
4. Endorse shipment number on each way-bill.
5. The number of the shipment will be the station number followed by a letter to indicate the day of the month (as per table below), followed by a numeral to indicate the total cars in shipment.
6. If more than one shipment in one day, add letters A, B, C, etc., to shipment number thus: For the first day of the month shipment from Glendive would be 731A10A for the first shipment of 10 cars, and 731A6B for the second shipment of six cars.
7. If any stock transferred at your station, report on this form, filling out columns G, H, N and W only.
