YARD CHECK AND ON HAND REPORT

PTD. IN U.S.A.

Show under name or number of each track all cars thereon, at all stations, with data for the C. S. ,F. 6, and any special reports. Furnish one copy to Superintendent and Car Accountant, retaining copy for Station.

Cars in detached service must be marked "DS" in column 6 and kind of service shown in Column 13.

If private tracks are full of cars not released by parties using track, loaded cars destined to such tracks must be reported in Column No. 11 as set, and in Column No. 12 indicate constructive placement by the letters "CP" and indicate cars off spot by letters "OS" in the same column.

Amount of lading in cars loading or unloading to be shown in column 5 for demurrage purposes.
