CONDUCTOR FILL IN FOLLOWING:

1. Weather Conditions.

2. Live Stock and Perishable Freight. State if complaint made by party in charge and nature of same and give name and address of complainant, also what action, if any, was taken.

3. Condition of freight in cars opened. Indications of shortage, damage or leakage.

4. Break-in-twos, flat wheels, hot boxes. Give full particulars including where occurred or first station at which discovered. Indicate cars with flat wheels by a cross in Column 12.

5. Miscellaneous accidents. If none, so state.

6. Delays. Explain fully any unusual delays.

7. Cars with seals missing, found with seals broken or tampered with. Also report seals on cars set out at Non-Agency Stations.
