DAILY COMMODITY REPORT

F-21

TELEGRAPH SERVICE:

Agents shall wire this report for their stations to the Superintendent and Superintendents for their Divisions to the Gen'l Supt. of Transportation DAILY with "CS" report. No reports should be made for Sundays or Holidays, but loading etc., for these days must be included in report for following day. Report mixed freight as merchandise. Agents must include all cars loaded at their stations. Cars loaded at spurs, blind sidings, etc., for which they make waybills; all loads received from connecting lines, except loads handled on a switching rate.
