

DAILY COMMODITY REPORT TELEGRAPH SERVICE

F-21

Agents wire this report for their stations to the Superintendent and Superintendents for their Divisions to the Genl. Supt. of Transportation DAILY with "CS" report. No reports should be made for Saturdays, Sundays or Holidays but loadings for these days must be included in report for following day. Report mixed freight as merchandise. Agents must include all cars loaded at their stations, cars loaded at spurs and blind sidings for which they make waybills, and all loads received from connecting lines, except loads handled on a switching rate.
