

Northern Pacific Railway

KEEP AWAY FROM EXPLOSIVES AND FIRE HANDLES AND CAREFULLY HANDLE STATION LIGHTS

1. This car must not be next to a car containing Explosives.
2. Do not enter with exposed flame, nor with lighted lantern, until car has been ventilated and vapors allowed to escape.
3. When lading required this placard is unloaded from box or stock cars, Agents, Yardmasters and Conductors MUST REMOVE THE PLACARDS. Tank cars must retain placards until cleaned.
(Par. 1903.)
